

NARRATIVE

Statement Summary

One month has passed since the events of January 8 and 9, 2026. In a statement honoring those killed and arrested, students said they stand with families seeking justice and demand the right to life and human dignity. They described university closures as an effort to silence protests and called for a nationwide strike on February 16 and 17, the 40th day of the victims. Memorial ceremonies were also announced.

“The Islamic Republic must be abolished.”
“Woman, Life, Freedom.”
